We rented a brand-new catamaran from the guys in October 2024. It was an unforgettable week with top-notch support at every stage. Starting from the handover process to various moments at sea, the team gave us great route recommendations, helped with refueling, and welcomed us back at the marina. They even helped with our luggage.

I meet with Smart Sail this year through a broker. At the end of September, I took a 5 cabins Tanna 47 here. I got a beautiful catamaran. Well-serviced, well-equipped, including a generator, air conditioning in all rooms, a dishwasher, a coffee machine, an ice maker, high-end pillows and mattresses. I am very pleased with the cooperation with Smart Sail and I recommend it to everyone!

Next year, I plan to take a similar catamaran or a slightly larger one from the guys. We had a great rest! Thank you very much! See you soon!

First, I would like to thank the team for super support! Thank you! Guys, your service was amazing!

Second, regarding the cat: very clean, in very good condition, very convenient, everything that needed was there, nothing to add.

We had a very good, I would not afraid of this word - luxury :) holiday! Thank you! Hope to see you next year!

Amazing experience on the catamaran! It was beautiful, clean, and equipped with everything needed for a comfortable stay. The owner's customer focus was top-notch.

A huge advantage was the safety nets on the sides of the catamaran, which made it much safer for the children. They could move around the boat freely!

We are very happy we chose this company. Thank you for a wonderful vacation!

We had an amazing vacation! The team prepared the catamaran perfectly by the scheduled time. Everything needed for a comfortable stay was on board, including air conditioning in the cabins and even an outdoor cinema on the deck.

Highly recommend this company to everyone!

Many thanks for a wonderful vacation! A magnificent, new catamaran. It is very noticeable that the owners pay great attention to the catamarans: cleanliness, excellent mattresses, bed linen, towels, new dishes in abundance!

We will definitely come back again!
